

Code	Title	Scope
Da	Areas of Outstand Natural Beauty (AONBs)	Anything relating to AONBs
DI	Locals Sites (previously known as RIGS)	Anything relating to RIGS (Regionally Important Geological Sites) or other local sites
Dm	Marine designations	Anything relating to Marine Conservation Zones, Marine Protected Areas, Marine Nature Reserves
Dn	National Nature Reserves (NNRs)	Anything relating to NNRs
Do	Other designations	e.g., Heritage Coasts, Special Areas of Conservation (SACs), Special Protection Areas (SPAs), Nature Conservation Orders, Scheduled Monuments, foreign designations, etc.
Dp	National Parks	Anything relating to National Parks
Ds	Sites of Special Scientific Interest (SSSIs)	Anything relating to SSSIs
Du	Geoparks	Anything relating to geoparks, including UNESCO Global Geoparks
Dw	World Heritage Sites	Anything relating to World Heritage Sites or the World Heritage Convention
Fa	Archives	
Fc	Collecting	Any fossil or mineral collecting activity, including policies or guidance (see also Fs)
Fs	Rock sampling and coring	Any rock sampling or rock coring activity, including policies or guidance (see also Fc)
Ff	Fieldtrips	e.g., conference fieldtrips
Fp	Practical conservation	Including facelift projects, conservation and enhancement schemes, countryside stewardship, site management, and guidance to help with site management
Gg	Geodiversity Forums	National or regional geodiversity partnerships or forums
Gi	Individuals	e.g., personnel announcement, obituaries, tributes, etc.
Gl	Local or regional groups	RIGS or other local groups and organisations involved in geoconservation, including individual geology trusts, local authorities, and local or regional geological societies, etc.
Gn	National and international groups	Organisations involved in geoconservation at the national or international scale, including GeoConservationUK, the Geology Trusts (as an umbrella organisation), Geological Society of London, Geologists' Association, QRA, ProGEO etc., Natural England, BGS, Scottish Natural Heritage, UNESCO, etc.
GrG	Grants and awards	Grants (e.g., Curry Fund, HLF, ALSF), medals, prizes, and awards
Hh	History and archaeology	Anything relating to history or archaeology
Lc	Caves	Anything relating to caves
Lg	Geomorphology	Anything relating to geomorphology, including ancient landscapes, active landscapes and processes (e.g., climate related processes such as weathering)
Lh	Natural hazards	Anything relating to natural hazards, including volcanoes, earthquakes, flooding, plate tectonics, and climate change
Ll	Landscape	Anything relating to landscape level issues and geodiversity, including National Character Areas, Natural Areas, European Landscape Convention, landscape (general) and working at a landscape scale, etc.

Oa	Arts	Using art to interpret or promote geodiversity and inspire including but not limited to sculpture, poetry, painting, photography, textiles, drama, television, film, etc.
Oe	Education	Any educational initiative, including interpretation and popular science publications
Oh	Museums & visitor/heritage centres, information boards	Museum collections and activities, including heritage centres, information centres, information boards, and geological trails
Om	Maps	Anything relating to maps, GIS, Remote Sensing
Op	Publications	Anything relating to books, book reviews, leaflets, websites, databases, reports, etc.
Or	Academic research	Anything relating to academic research, including sites/topics of potential/current research interest
Ot	Geotourism	Anything relating to geotourism
Ov	Events	Conferences, workshops, roadshows, launches, etc.
Pc	Coastal issues	Anything relating to coastal management issues, including planning and development
Pd	Miscellaneous planning and development	Planning and development issues not covered by other codes, including housing, tourist developments, military issues, etc.
Pe	Renewable energy	Anything relating to renewable energy, including planning and development
Pl	Waste and landfill	Anything relating to waste including landfill, tipping, sewage, carbon capture, etc., including planning and development
Pt	Transportation issues	Anything relating to transportation including road, railways, aviation, etc., including planning and development
Px	Extraction issues	Anything relating to extraction industries, including mining, oil and gas, water extraction, quarrying
PyG	Geological Conservation Review (GCR) policy	Anything relating to the GCR, including policy, practice, development, sites, and publications
PyL	GAPs	Anything relating to Geodiversity Action Plans
PyP	Policy & Strategy	Anything relating to government policy and strategies (e.g., geodiversity charters, laws, etc.)
Sb	Buildings & manmade structures	Anything relating to buildings or man-made structures
Sf	Fossils / palaeontology	Anything relating to fossil samples or sites of fossil/paleontological interest, palaeoecology
Sm	Minerals and rocks	Anything relating to mineral or rock samples, or sites of particular mineralogical interest, Sedimentology, Stratigraphy
Ss	Soils	Anything relating to soils or peat
Sw	Biodiversity	Anything relating to biodiversity, agriculture, wildlife, plants, etc.
Vp	Viewpoint	Discussions, philosophy, letters
